## GENERAL INFORMATION

Scout-O-Rama is an outdoor show with more than a hundred exhibits demonstrating the interests, skills, and activities of Tiger Cubs, Cub Scouts, Webelos, Boy Scouts, Venturers, Sea Scouts, Explorers, and Girl Scouts. Unit participation provides Scouts the opportunity to demonstrate their skills and abilities to parents, friends, and the community. It also serves as a program resource for your unit. It stimulates advancement, introduces the various areas of Scouting to the public, provides a "hands-on" experience, and it's **FUN!**

Your exhibit should have four (4) parts in order to be effective:

1. Correctly uniformed Scouts in an eye-catching setting displaying the theme. There should be minimum adult visibility in the exhibit or area.
2. A "hands-on" experience for the public. Invite people to try their skills. Be sure to have plenty of materials available.
3. A give-away, either in the form of a prize or the actual item they have made. Use your imagination!
4. Establish a rotation schedule so every Scout and parent has the chance to enjoy Scout O Rama.

## THEME

This year's theme is: "Passport to Adventure"

## EXHIBIT DROP OFF AND SET-UP

There is a special drop off area for your unit's equipment at Long Beach City College. Your unit can drop off at 7am. Schedule your units set up crew accordingly. Once your equipment is dropped off, immediately move your gear to your booth and your vehicles to the LBCC parking. There is no cost for parking for the day.

## RESTRICTIONS:

- Due to health code restrictions, no food items may be prepared and handed out to the public by any unit.
- No unit generators are permitted due to city restrictions. Contact Brian Tobin, SOR Chair, at [btobin@me.com](mailto:btobin@me.com) for special requirements.
- Sale of commodities by units is strictly prohibited by city codes.
