TROOP 75 Rocks!

Troop 75 is an active “boy run” troop – going strong since 1944. We are the orange “Dodgeball Troop” chartered by Anaheim Chiropractic Healthcare. Troop 75 offers fun activities, great outdoorsman knowledge, character building and lasting friendships.

Troop leadership is all volunteer and relies on the input and energies of parents to make our program a success. Troop 75 follows the principles of Boy Scouts including character, citizenship, fitness and faith—in a safe and friendly environment for all.

Activities & Values

Troop 75 offers a diverse program with a variety of activities that are chosen and lead by boy scouts. We backpack, hike, shoot, fish and do community service. At our troop meetings, scouts are in charge and patrols are assigned tasks which help the meetings run on task. Our goal is to get scouts to work together, build strong ties, practice skills, promote scout spirit and have fun!

Giving back is important. So annually, each scout is expected to participate in at least seven community service events called “7s”. Activities include Scouting for Food, flag ceremonies at Forest Lawn honoring Veterans, and helping with Various events such as carnivals, Soup suppers & Easter breakfasts.
