Notes from Camporall Briefing 10/10/19

Day parking

- Day Parking (with in/out privileges) is available in many lots around campus, with the most convenient being the Palo Verde South Parking Structure,
- **Cost to day park is $10/day and will expire on the same day.**
- Parking vending machines are readily available and accept cash and credit cards or use the Parkmobile App. You will need to enter your vehicle license plate number and do not need a receipt. Hint: Take a pic of your license plate with your phone.

Overnight Parking

- **Overnight parking for the entire weekend (with in/out privileges) is also available for a pre-paid cost of $20.00.**
- Pre-purchased passes will be available at check-in and **released only to the person that payed for the pass.** They will be responsible for distributing to the rest of your party.
- You must use specific lots G13 and Parking Structure top floor. A special pass will be issued that must be placed on your vehicles dash.
- Trailers attached to vehicles can park overnight at no extra charge
- Parking will be pre-paid through the registration web page.
- **Weekend parking MAY be available on the day of the event for $40.00 if not previously purchased**

Forms needed

Each participant will need to have in their possession a completed and signed:

- Student Recreation and Welfare Center (SRWC) Release and;
- BSA Shooting sports release
- Units should have in their possession Parts A&B of the BSA medical form

Food & Cooking

- There will be food trucks on site all day on Saturday
- Units cooking in the campsite will need to use propane stoves on camp tables. No charcoal fires and no cooking on the ground.
- Water will be available in two locations at the campsite
- Dispose of all grey water in the tanks provided.
- **Please help by emptying full trash cans and cleaning up your campsite**

Program

Some programs have limited capacity and there will be sign-up sheets at check-in for these activities. This includes:

- Climbing Wall
- Swimming
- Science Labs
