

# LBAC Troop Outing Guidelines

Updated 7/24/2020

1. Participation in all activities is at the discretion of the parents or guardians.
2. Those at significant risk for infection should consult a physician prior to participating in an activity.
3. All participants should review their current health prior to participation of any activity. Only those feeling well should participate. Whenever possible, temperature checks of Scouts and leaders should be made prior to participation.
4. All units should keep a detailed roster of participants for all meetings and activities, so they are prepared if contact tracing is required.
5. All those who have been exposed to Coronavirus must quarantine for 14 days prior to participation in any Scouting activity.
6. Individuals must always maintain social distancing of six feet or more.
7. For camping events, make sure overnight camping is allowed for the region/county you will be camping in.
8. Transportation to and from activities are with family members of the same household only. No carpooling or ride sharing is allowed.
9. On outings, a Troop should be separated into patrol groups, limited to 10 scouts or less.
10. While doing activities that prohibit social distancing, such as patrol cooking or food serving, it is mandatory that masks must be worn.
11. Handwashing and the sanitation of shared supplies must be done before and after use.
12. Families/siblings from the same household, do not need to maintain social distancing for transportation, sleeping or meeting.
13. Hikes, bike rides and other follow the leader activities, a *minimum* 6ft distancing should be maintained.
14. Sleeping should be limited to one person per tent, unless they are family.
